➤ **Company Introduction:**

We, Stelloy Technocast Pvt. Ltd. have immense pleasure in introducing ourselves as one of the leading manufacturers of INVESTMENT CASTING.

Our Plant was established in the year 2017, in location of Hadamtala, Rajkot Industrial Area with a Factory area of 23715 Sq. ft., 20 Kilometer away from Rajkot, (Gujarat).

Our INVESTMENT Casting Plant is set up with the latest, sophisticated & ultra-modern infrastructure & machines, equipments, instruments & facilities to maintain quality assurance to high precision degree of accuracy required in process.

We are engaged in field of casting for more than 15 years. Our experience and our skills in casting make us highly qualified to produce quality Investment Casting. We are having a team of qualified & experienced metallurgical and mechanical engineers, skilled workers, operators, inspection & management staff.

We manufacture precision Investment Casting from Metal/Alloys such as Stainless Steel, Alloy Steel, Carbon Steel, Nickel based Steel, Super Alloys, Hast Alloys, Inconel, Monel, Ductile Iron, Aluminum Alloys, Copper based Alloys, Bronze Alloys and many other Ferrous & Non-Ferrous Metals.

We can take up Investment Casting as per Drawing, Specification, Material Composition and Sample provided by customers. Our ability is to undertake Investment Casting weighing from very few grams up to 120 Kgs., Size up to 1080 mm. diameter.

Company Details

1. Name of Company	STELLOY TECHNOCAST PVT. LTD.
2. Address (Office & Factory)	Survey No. 47, Plot No.34,35, Hadamtala G.I.D.C., N.H. 8-B, Dist: Rajkot-360002(Gujarat)India
3. Telefax No.	Mobile: +91-9723680578
4. E-mail	stelloytechnocast@gmail.com ; info@stelloytechnocast.com
5. Web Site	www.stelloytechnocast.com
6. Contact Persons	Mr. Amit Patel (Marketing Director) Mobile: +91-9723680578
7. Manufacturing Products	INVESTMENT CASTING
8. Year of Establishment	2017
9. Factory Land Area	2,204 Sq. Mtr
10. Build Up Area	1,783 Sq. Mtr
11. Registration No.	GSTIN: 24AAXCS1150R1ZN PAN: AAXCS1150R TRADE NAME: STELLOY TECHNOCAST PVT LTD. CORPORATE ID: U27320GJ2016PTC092156
12. Factory Staff	1. Administration : 10persons 2. Technical : 25persons 3. Worker : 65persons
13. Name of Bankers	HDFC BANK LTD Cash Credit A/c No. 50200044240960 Branch Name: Laxminagar Branch, Rajkot. IFSC: HDFC0001696
14. Company Introduction	As per Attachment
15. In House Facilities	As per Attachment
16. Inspection, Testing	As per Attachment
17. Scope & Application	As per Attachment
18. Quality Certification	ISO 9001-2015 & PED 2014/68/EU & AD 2000 W0 is Under process in TUV NORD Certification Body.
19. Having Membership in	[a] RAJKOT ENGINEERING ASSOCIATION [b] HADAMTALA INDUSTRIAL ASSOCIATION

➤ **Investment Casting Capacity:** from 0.03 kg to 120.00 kgs Single Piece

➤ **Range of Metals We offer:**

○ **Ferrous Metals:**

Austenitic Cast Iron	Ductile Iron – S.G. Iron	Naval Alloys
Austenitic Steels	Duplex Stainless Steels	Nickel Base Steel
Carbon Steel	Heat Resistant Alloys	Ni-Resist Cast Iron
Chrome Steel	Inconel	Stainless Steel 200/300/400
Chromium Cast Iron	Low Alloy Steel	Super Alloys
Corrosion Resistant Alloys	Manganese Steel	Tool Steel Alloys
Defense Alloys	Monel	

○ **Non-Ferrous Metals:**

Aluminum Bronze	Copper Chromium	Leaded Gunmetal
Aluminum Silicon Bronze	Copper Manganese Aluminum	Leaded Phosphor Bronze
Brass	Copper Nickel Chromium	Naval Brass
Copper – Nickel – Zinc Alloys	Gunmetal	Nickel Aluminum Bronze
Copper – Tin – Nickel Alloys	High Tensile Brass	Nickel Copper Alloys
Copper Aluminum Alloys	Leaded Bronze	Nickel Gunmetal
Copper Based Alloys	Leaded Copper Alloys	Phosphor Bronze
Silicon Bronze	Tin Bronze	

We offer various products or components in rough, semi-finished or finished condition through casting processes along with Tools & Patterns development. We produce castings using the best processes, equipments, material, peoples and technologies. We serve several industries at the domestic market with quality and on time delivery.

➤ **Surface Treatments & Testing Facilities:**

○ **Surface Treatment:**

1. Heat-Treatment
2. Carbonitriding
3. Gas Carburizing
4. Through Hardening
5. Tempering
6. Quenching
7. Stress Relieving

○ **Surface Finishing Capabilities:**

1. Shot Blasting
2. Sand Blasting
3. Tumbling
4. Vibro Deburring
5. Liquid Painting
6. Powder Coating
7. Red Oxide Coating
8. Hot Deep Galvanizing
9. Zinc Plating
10. Acid Pickling
11. Passivation
12. Blackening
13. Electropolishing

➤ **Testing Capabilities:**

- **Metallurgical Testing Methods:**
 1. Spectrograph – upto 24 channels
- **Mechanical Testing Equipments:**
 1. Universal Testing Machine (UTM)
 2. Hardness Testing Machine
 3. Impact Testing
- **Non-Destructive Tests:**
 1. Die Penetration Test (DP)
 2. Magnetic Particle Test
 3. Non-Destructive Test (NDT)
 4. Radiography Test
 5. Ultrasonic Test

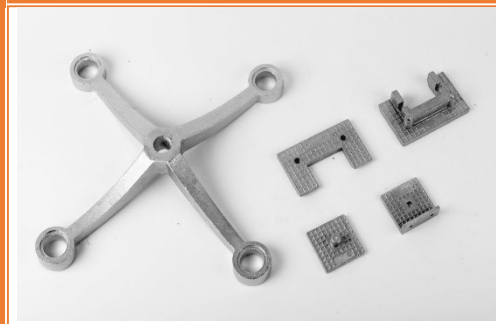

We can arrange Third Party Lab Testing of Test Bars as an Independent Quality Control Measure in addition to Foundry Test Certificates.

We can take up the Development & Manufacturing of Components according to Drawing, Specification, Material Details, Quantity Details and Sample Piece provided by the customer.

➤ **Industries We Serve to:**

Aeronautical & Aircraft Components	Food Processing Equipments	Optical Instruments
Agricultural Machinery	Gas Turbines	Orthopedic Implants
Air Compressors	Gears	Packing Equipments
ATM Machines	General Engineering Components	Permanent Magnets
Automotive Parts	Gymnastic Equipments	Pharmaceutical Machinery
Business Machines Components	Hand Tools	Pneumatic Nailers & Staplers
Chemical Plant Machinery & Equipments	Hardware	Pneumatic Tools
Conveyors Systems	Helicopters	Pollution Monitoring
Cranes	Hoists & Chain Lifts	Power Transmission
Dairy Industry	Industrial Clamps	Pumps & Impellers
Defense Field	Industrial Valves	Railways
Dental Instruments	Laundry Machines	Refrigeration
Diesel Engines	Locomotive Turbo Charger	Sports Equipments
Door Hardware & Hinges	Material Handling Systems	Steam Traps
Earthmoving Equipments	Marine Handling Systems	Surgical Instruments
Electrical Engineering	Marine Hardware & Instruments	Textile Machinery Parts
Electrical Switch Gears	Mining Machinery Equipments	Trucks, Trailers & Tractors
Farm Equipments	Nuclear Power Plants	Wood Cutting Tools
Fire Fighting Equipment	Navigational Equipments	Other Typical & Mechanical Parts
Flow Meters	Oil Field Equipments	

➤ **Product Range:**

➤ **Certifications:**

We would like to invite you to inform your valuable fresh requirement of COMPONENTS, so that we can offer you our best QUOTATION.

Also, you can visit our Website www.stelloytechnocast.com

For any kinds of further clarification, please do not hesitate to inquire us.

THANKING YOU and awaiting for your POSITIVE RESPONSE.

With best regards,
For, Stelloy Technocast Pvt. Ltd.
